

# COUNCIL OF ETHICAL ORGANIZATIONS 2008 PROGRAM CALENDAR

All courses carry credit towards the CCP and CCE credentials.

MARCH 3 -5, 2008 · CHARLESTON, SOUTH CAROLINA

## CERTIFICATION INTENSIVE COURSE

Allows participants to complete all course requirements for the Certified Compliance Professional (CCP) credential. Covers core materials of the basic compliance skills series offered by the Council of Ethical Organizations, including all compliance program elements. Certification requirements at [www.complianceprograms.com](http://www.complianceprograms.com).

MAY 19 - 21, 2008 · NEWPORT, RHODE ISLAND

## COMPLIANCE VISION 2008 • MAY 19 & 20 WHISTLEBLOWER PREVENTION 101 • MAY 21

AUGUST 4 - 6, 2008 · CHICAGO, ILLINOIS

## EXECUTIVE CERTIFICATION COURSE

Intended primarily for those who have already achieved basic compliance certification through the Trust or another recognized entity. The Executive Certification Course allows attendees to complete all course and written requirements for the highest level credential available to compliance professionals, the Certified Compliance Executive (CCE) credential. This credential is available only to those with senior executive compliance responsibility. Certification requirements at [www.complianceprograms.com](http://www.complianceprograms.com).

OCTOBER 27 - 29, 2008 · TBA

## 2008 HEALTHCARE BEST COMPLIANCE PRACTICES FORUM

The established forum for the free exchange of ideas among compliance professionals and for the identification of best compliance practices. Conducted in a vendor free environment, this program promotes learning from those whose programs have been recognized for excellence by peers. Many attendees describe the Forum as the premier event of the compliance year.
